Command Financial, Major Sponsor at the 2020 Virtual ICI Tax and Accounting Conference

New York, August 25, 2020: Command Financial announced today that they will be a major sponsor at this year's ICI Tax and Accounting Conference being held virtually, three consecutive Tuesday's, starting Tuesday, September 22nd and ending on Tuesday, October 6th. The conference offers panel discussions and keynote speakers addressing a variety of important issues – from current SEC/Fund Accounting matters to what the proposed derivatives rule 18f-4 will mean for N-PORT/N-CEN. In addition, attendees will have the opportunity to hear the latest information about tax and accounting issues, and ample opportunities to virtually network with peers. It is the fund industry's premier Tax and Accounting conference and typically attracts over 1,000 attendees.

About Command Financial:

Command Financial has continually redefined financial printing for more than 30 years by offering the latest in fully integrated technology-based solutions and personalized service. Command provides a full range of services including state-of-the-art typesetting, highly experienced customer service, in-house proofreading, EDGAR, iXBRL, language translation, extensive in-house press capacity, and mail/distribution. Command also offers industry-leading content management through their Command Automated Publishing System, which is a content management and automated document assembly tool that uses an intuitive user interface and a database driven virtual library, allowing clients to manage and repurpose information across prospectuses, shareholder reports, and other documents. Through innovation and service, Command Financial has become a trusted and preferred vendor to many of the leading public companies, law firms and investment companies worldwide.
