Document Lifecycle Management Solutions

Command Financial Announces acquisition of T-Link

March 2013: Command Financial Press announced today it has acquired T-Link, an automated document management system, in order to bolster its industry-leading Command Automated Publishing System (CAPS) for Content Management. The web-based tool improves accuracy of prospectus disclosure while reducing shareholder costs.

About Command Financial

Command Financial is a world-class leader in providing superior and integrated document lifecycle management solutions for leading public corporations, law firms, and investment companies. Command continually redefines financial printing by leveraging technology and combining it with personalized service to provide unparalleled cost efficiencies as well as the highest quality products and service levels related to regulatory and compliance requirements. The Company, founded in 1990, serves its clients nationwide and on an around-the-clock basis from its headquarters in New York City.
